and lifelong learning
for Southeastern Massachusetts
since 1961.*

The community is our campus ... the citizenry is our student body

Cape Cod Community College, founded in 1961, is a publicly supported, post-secondary institution dedicated to providing quality educational programs and services at a low cost to meet the diverse needs of our area citizens. While fostering excellence and opportunities to *all* citizens through high standards and an open-door admissions policy, the highly qualified faculty and staff provide a supportive, humanistic medium in which to learn.

Maintaining its commitment to excellence, the College carries out its duties as a leader by contributing richly to our region's intellectual, educational, cultural, environmental, and economic development.

The College offers degree and certificate programs, training for business and industry, and serves as a resource for solving community problems and enriching the quality of people's lives. More specifically, the mission of the College includes:

- ▶ providing the first two years of baccalaureate education equal in content and quality to the first two years of education at a four-year college or university.
- ▶ providing career-oriented programs that emphasize the cognitive and technical skills needed to enter and advance in professional, technical and service careers.
- ▶ fostering an understanding of and appreciation for the diverse nature of human experience, knowledge and culture, while fostering diversity in enrollment and work force.
- ▶ providing job training, retraining, certification and skills improvement through partnerships with business and industry to ensure a work force equipped to meet the needs of a changing economy.
- ▶ serving as a leader and resource for the community, helping to identify opportunities and solutions to community problems, and contributing to the region's intellectual, cultural, environmental and economic development.
- ▶ offering to the people of the region cultural and lifelong learning opportunities so that they may lead richer lives, do their best in their chosen careers, and be good citizens of their communities and country.

The success of the College has always depended upon its tradition of excellence. Thus the College truly belongs to the people it serves and who support it, and it must respond to individual and community needs. For over a quarter of a century, the College has served as the foundation of post-secondary educational opportunity, career development, and cultural activity for the area and its residents. Thousands of area residents have either earned a degree, learned or updated job skills, or simply benefitted from the College's cultural offerings. In 1961, 166 students enrolled at the College. Today, we have an enrollment of over 5,000 students per semester during the day and evening.

College Chorus and Chamber Choir

The College Chorus and Chamber Choir is a long established institution drawing its membership from students, faculty, staff and community. Many of the soloists and members are also students in Applied Music.

The Chamber Choir was organized to provide an opportunity for carefully selected singers to acquire a high degree of performance skill through concentrated and detailed study of advanced choral literature. In the spirit of the renaissance madrigal singers, this group sometimes performs without accompaniment which is the purest form of vocal ensemble art.

Both the College Chorus and Chamber Choir have had concert tours in Britain and France. The Chorus rehearses twice weekly during each semester under the direction of Fred W. Drifmeyer.

The Academic Procession and Regalia

Traditional commencement academic procession and regalia date back to the Middle Ages. Voluminous gowns were worn to ward off the damp and cold of medieval buildings; mortar boards were used as hats. When those styles were abandoned by laymen, clergy and scholars continued to wear the robes, with variations in style and color identifying different monastic orders. The bachelor, master, and doctor gowns differ stylistically in cut and decorative motif.

Today the hood is especially important in identifying the academic achievements of its wearer. Originally, the hoods were worn over the head. A long tassel is attached to the middle point of the top of the cap to drape over the edge of the mortar board. Tassels may be black, gold, or a color appropriate to the academic field of the wearer. The colors of the hood lining indicate the institution granting the degree. The width of the velvet trim indicates the highest degree held; the color of the trim indicates the field of study.

An intercollegiate code representing different departments of learning has set the standards for academic dress in the United States. The colors are assigned as follows:

Agriculture	<i>Maize</i>	Medicine	<i>Green</i>
Arts, Letters, Humanities	<i>White</i>	Music	<i>Pink</i>
Business Administration	<i>Drab</i>	Nursing	<i>Apricot</i>
Dentistry	<i>Lilac</i>	Oratory	<i>Silver Gray</i>
Economics	<i>Copper</i>	Pharmacy	<i>Olive Green</i>
Education	<i>Light Blue</i>	Philosophy	<i>Dark Blue</i>
Engineering	<i>Orange</i>	Physical Education	<i>Sage Green</i>
Fine Arts	<i>Brown</i>	Public Administration	<i>Peacock Blue</i>
Forestry	<i>Russet</i>	Public Health	<i>Salmon Pink</i>
Home Economics	<i>Maroon</i>	Science	<i>Gold-Yellow</i>
Journalism	<i>Crimson</i>	Social Science	<i>Citron</i>
Law	<i>Purple</i>	Theology or Divinity	<i>Scarlet</i>
Library Science	<i>Lemon</i>	Veterinary Science	<i>Gray</i>

The office of mace bearer is purely ceremonial. It derives from medieval times in England when an official was taking office or opening his court and needed a bodyguard. Then the mace, a formidable weapon, was held ready to protect the person of the dignity.

From the sixteenth century in England and since colonial days in America, it has become a symbol of office only, and is carried by a distinguished member of the faculty. The mace bearer, who immediately precedes the president both entering and leaving the ceremony, while often not included in today's exercises, remains popular on the older campuses in the East.

At Cape Cod Community College, the academic regalia of the Board of Trustees correspond to doctoral caps and gowns with gold tassels; the colorful hoods lined with red display the College colors of silver and blue. Faculty robes signify the wearer's respective university and discipline. The mace, a gift of the Class of 1984, is borne by the Grand Marshal who leads the academic procession.
